Lesson 2 : Ethics in Daily Life
Worksheet- 2

1. What are 'ethics'? Describe in your own words.
2. Give two reasons why you think ethics are necessary in life?
3. Should ethics be taught in schools?
4. Identify four areas of your life where you think ethics are lacking.
5. What do you think would happen if no one followed ethics at work?
6. If you are working from home, what three ethics should you follow?
7. Find out at least two areas in your home where you feel resources are being wasted. How will you prevent it?
8. If your sister is not respectful to your parents, how will you counsel her?
9. Find out whether ethics are the same world over.
10. Write four ethics one should follow at home. Do you follow them?
