

**National Institute of Open Schooling**  
**Senior Secondary**  
**Lesson 28B – Play centre: Structural details**  
**Worksheet-28B**

1. The major objective of a play centre is to provide play and activity-based programmes. Describe the basic requirements to establish a play centre and meet its major objective.
2. Play centres play an important role in building the foundation of a child. Prepare a report describing the characteristics of equipment required in the play centre.
3. Jyoti is starting a play centre for about 32-38 children. Help her by providing a list of indoor and outdoor play items with appropriate quantities.
4. You are given the task to prepare a first aid box for the play centre. List the items that should be kept in the first aid box.
5. Visit a nearby play centre and observe the staff members and their roles.
6. “A play centre teacher has certain responsibilities to the play centre, children, school and community”. Discuss the given statement.
7. One of your family members wishes to open a play centre in a nearby locality. Make a list of the prerequisites that they should keep in mind to open a play centre.
